Entries / Fees / Admission Passes

Qualifiers for Northern Ireland Schools - A qualifying school team must consist of 3 or 4 athletes, all currently in full time education at the same school. An athlete/animal may only jump once per team. It is the school that qualifies, not the members of the team at any qualifying venue, so it is therefore the responsibility of the Chef d'equipe to choose the athletes/animals to represent the school prior to entering the team for the Championship.

Championship, Balmoral Show - At each of the Northern Ireland qualifiers, the successful school will complete a Confirmation of Attendance Form confirming their attendance at Balmoral Show. This must be completed fully by the school representative present on the day. The entry fee of £100 must be paid to RUAS within 14 days of qualifying to secure the school's place in the Championship. Cost includes maximum 4 stables for team animals for Friday night if required; parking for a maximum of 4 horse boxes and 1 car and 10 wristbands (1 for each athlete, 1 for a parent/guardian of each athlete, and 2 for school representatives).

Republic of Ireland Schools must complete Confirmation of Attendance Form on day of qualifying and return Final Entry Form confirming their attendance & definite entries (team participants – athletes/animals with intended running order and entry fee £100 (€115)). As it is the intention to have a full complement of schools at the Championships, failure to return the required documentation and fee on time will result in the next eligible school being invited to attend.

Closing dates Entry form with definite entries (team participants – athletes/animals) with intended running orders, must be received from both Ulster Region qualified schools and Republic of Ireland successful schools by Friday 26 April 2019. ROI Schools must also attach their team entry fee at this time. The name, contact number etc., of the team Chef d'equipe must be identified on the entry form.

Additional entry wristbands/parking will be available to purchase from RUAS in advance of the Show. All entry passes and parking passes required will be posted in advance of the event.

Substitutions - No substitutions from the definite entries are allowed, except in the case of a proven injury where the substitution of an athlete/animal from the definite entry list may be allowed up to 4.00pm on Tuesday 14 May 2019. After this date/time, no substitution will be considered. In this regard, the Organising Committee/Show jumping Sub-Committee's decision is final.

Arrival Times - Teams may arrive on Friday night 6pm – 9pm and Saturday morning from 6am only. Entry to Balmoral Park may be refused outside of these arrival times. All schools must indicate on their entry forms whether or not they intend to arrive to Balmoral Show on Friday evening, or Saturday morning – it is not necessary for all team members to arrive together, but it is imperative, for veterinary reasons, that the expected day/approximate time of arrival is notified.

Declarations - Chef's d'equipe must declare all team athletes/animals at the declarations unit beside the practice arena before 9am on Saturday 18 May 2019.

Stable Reservations - All stables must be confirmed in advance. If you require a stable on Friday night 17 May, please confirm details on the final entry form. All stables are 3m x 3m approx. Limited shavings are provided. Additional shavings available to purchase on site.

Ultimately the RUAS Show Jumping Sub-Committee will make a decision based on common sense and fair play, thus reflecting as closely as possible the intention of these rules.
