NATIONAL REGULATIONS

All National competitions will be governed by the current National Federation and Show Jumping Ireland rules and regulations.

National competitions are restricted to pre-qualified horses/ponies and athletes registered with SJI and to Irish athletes or those with specific authority from the SJI to compete in National competitions. As arena time is at a premium, numbers of entries are restricted as listed above. Therefore, those qualifying 2 horses/ponies in a class will be required to have both warmed up and ready to compete prior to the start of the event.

VETERINARY CONTROLS

All equine animals wishing to compete at Balmoral Show must be vaccinated against Equine Influenza. Passports with certification confirming proper vaccination must be available for inspection on arrival and at any time during the Balmoral Show. No equine will be admitted to the showgrounds unless they have the following:

- A minimum of the Primary course consisting of 2 vaccinations, not less than 21 days and not more than 92 days apart (not within 7 days of the show).
- A booster should then be given 150 – 215 days after the 2nd primary vaccination (not within 7 days of the show).
- An annual booster should be given within 12 months of the previous vaccination (not within 7 days of the show).

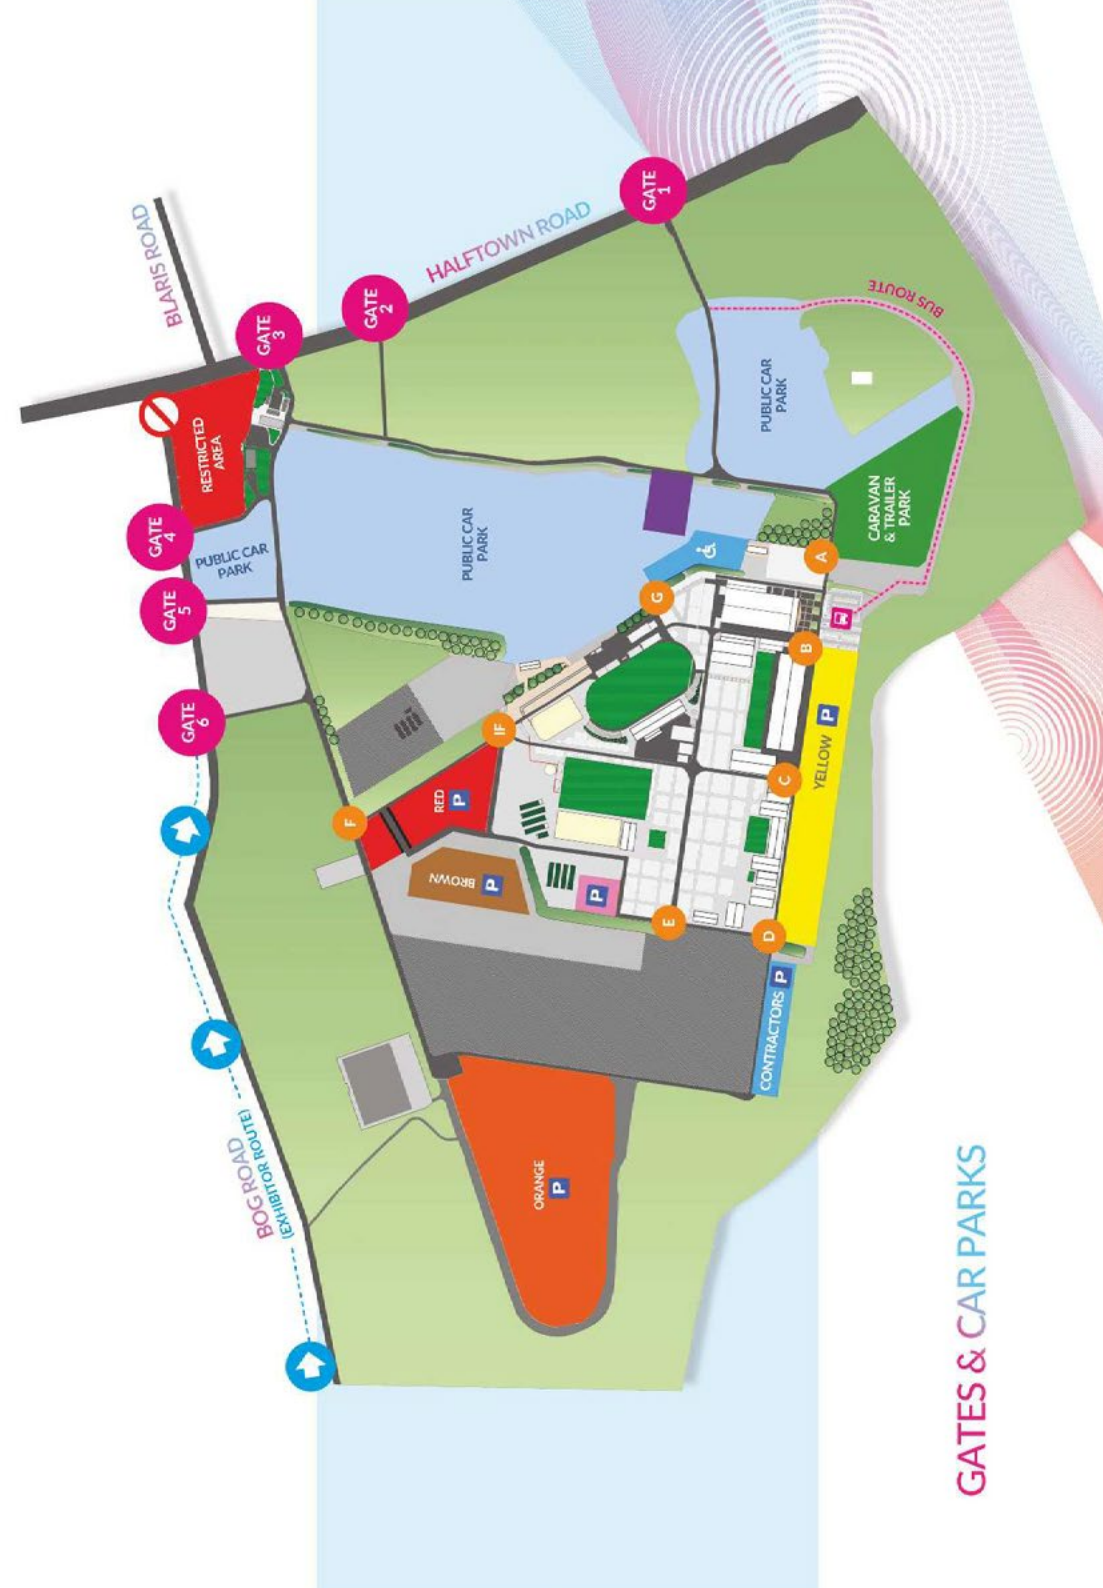

All vaccinations should be properly documented in the animal's passport and signed by a veterinary surgeon and stamped with their official practice stamp to authenticate each vaccination.

It is the owner's responsibility to ensure the above has been administered and all dates are correct. Failure to do so will result in the animal not being admitted to the showgrounds.

The above regulations are correct at the time of going to print, but may, because of exceptional circumstances, be amended from time to time. It is important to keep up to date with the SJI website to ensure passports are correct.

Horses entered in National classes may be subject to sampling for illegal substances by HSI.

Horses selected for any of the International competitions will **not** be eligible to compete in any of the National competitions at the Show.
