SPONSORED BY BAILEYS HORSE FEEDS

Friday Main Arena

Judge: Jane Darragh

Aim

To identify high class horses bred in Ireland with the potential to become top class performance horses, to create a medium for breeders, producers and trainers to display their quality young stock and to produce and present the correct type of horse likely to make it at the top level.

Competition Format

On entering the arena, each competitor will present to the judge where conformation will be assessed whilst mounted before riding away to demonstrate their horses walk and trot paces on the flat.

Competitors will then proceed straight to the jumping phase which will comprise of a course of show jumps immediately followed by natural cross country type fences.

The judge will assess each horse's performance and marks will be awarded based on conformation & type, paces, way of going throughout the jumping phase and star potential.

CLIFDEN QUALIFIER

Thursday Horse Ring 1

Judge: Steven Strang
Judge: Kerry Wainwright

The Clifden High Performance final will be held in the Showgrounds, Clifden, Co. Galway on Friday 22nd August 2025 featuring a prize fund of €3000. The Connemara Pony Festival Clifden run this class with the aim of displaying the versatility of the Connemara pony, highlighting the performance aspect of the pony over fences with emphasis on the rideability, scope, versatility and suitability for child or adult.

The final will take place on day four of the Annual Connemara Pony Show in Clifden, Co. Galway on Friday 22nd August 2025. There will be 6 shows holding qualifiers nationally for the final. The entry fee for the Balmoral qualifier is £25 per pony (enter for qualifiers with the show holding the qualifier) Entry fee for the final €40per pony. The top four ponies will qualify from each qualifier. The qualifiers and the final will be primarily run under the Irish Pony Society Rules for the working hunters so the scoring system will be the same.

At the qualifiers ponies will be asked to jump a minimum of 9 numbered fences including a double and a triple combination at a minimum height of 1m high and 1m wide, a minimum of three fences at the qualifiers should be built to a height of 110cm high and 110cm wide. Each fence will be marked out of 10 and then a mark out of 20 will be awarded for the way of going. The total is then divided by 2 and penalties are then deducted. A knock -10, 1st refusal -15, 2nd refusal – 20, 3rd refusal – elimination. A fall of rider will incur elimination. This will complete phase one.

In phase 2, each pony will be asked to show, trot, canter and gallop. Unless otherwise requested ponies will be required to show canter on both reins with a simple change of canter lead through trot. The pony will be stripped and judged for movement, conformation true to breed and type true to breed (i.e. Connemara). The total marks for phase 2 will be 45 consisting of manners (10), performance (10), movement (10), breed conformation (10), and type (5).

At the final ponies will be asked to jump a course of a minimum of 12 numbered fences which will include a double and a treble up to a maximum height of 110cm and width of 110cm (minimum height being 1m and a width of 1m). A joker fence will also be included, which will carry double marks but will be at a maximum height (110cm) and will pose a certain level of difficulty over and above the other fences on the course. Weather permitting, the river may be used with an optional fence been provided. This will complete phase one.

High Performance is expected.

Cattle Ring 3

Nurturing the next generation.

The ABP Angus Youth challenge is about finding the next generation of agri-food talent in Northern Ireland.

The scheme gives young people the essential skills they'll need to raise beef cattle - and experience of the responsibilities and rewards it can bring.

Entries will open to Yr 11s (14-15 year olds) in September.

Scan the QR code to register your interest.
