DIRECTIONS TO BALMORAL PARK

Exhibitors must follow the exhibitor route to gain access to the show grounds via Gate 6 Bog Road. When you arrive, you will be directed to your car park by security – please have all relevant parking tickets and entry wristbands ready for inspection to help avoid any unnecessary congestion. If you do not have a parking ticket, you will be directed to the orange car park and payment will be taken by parking management. Please note that you cannot enter the Bog Road on Show Day from the Halftown Road. See below map showing route, this can also be found on our website.

Car park tickets must always be displayed on the windscreen.

VEHICLE & TRAILER PARKING

Parking will be available on the Monday/Tuesday preshow if you have purchased a car parking ticket for the rest of the week.

If advanced tickets are not purchased parking will be available during the show in the orange exhibitor car park at the rear of the site at a cost of £10.00 for car/car trailer. All animals should be dropped off and stalled in advance. Livestock will not be permitted in the external exhibitor car parks.

Car park tickets must be clearly displayed on the windscreen.

Vehicles parked in any of the car parks on Show days without the appropriate ticket displayed will be clamped or towed away.

Livestock trailers are not permitted in the yellow car park. Trailer parking must be booked and paid for in advance, trailers will be unhooked in this car park and corresponding tickets are required for collection.

Please note the caravan park is available to book for show week (limited availability).

LIVESTOCK DELIVERY AND REMOVAL PASS

No vehicle will be admitted into the Showgrounds for delivery or collection of livestock unless the livestock delivery and removal pass are shown to the security at gate. To avoid delays please follow the instructions/directions of the uniformed security.

Exhibitors are reminded that removal of Cattle, Sheep, Pigs & Goats is not permitted to remove from the Show until Saturday after 6.00pm.

STAFF ATTENDING LIVESTOCK

If you have anyone attending to your stock they must have a wristband to gain access to non-public areas and to the site during and after show hours.

NO WRISTBAND = NO ADMISSION TO SITE

This is for everyone's own safety and the safety of livestock and exhibits. Offence should not be taken if you are refused entry – please follow the rules and have the appropriate wristband.

WRISTBANDS

All wristbands are non-transferable and must be attached correctly to your wrist to gain access to the Show. Broken or damaged wristbands must be brought to the Show Office to obtain a replacement.

Please note: Any exhibitor who is not a RUAS member and has paid less than £25 including VAT in entry fees is not entitled to a free wristband [poultry, pigeons, eggs, rabbits and cavies]. Members can gain admission to the Show using their membership card.

Section	Wristband allocation	Notes
Cattle	1 per stall booked	Max 10 wristbands
Sheep	1 per 2 animals	Max 10 wristbands
Goats, Pigs	1 per 2 animals	Max 10 wristbands
Poultry, Pigeons Eggs, Rabbits & Cavies	1 per exhibitor	Only if £25 including VAT entry fees paid

Additional wristbands can be purchased in advance of the show.

1 day wristband £14 4-day wristband £50

Any vehicle occupants not in possession of an admission wristband will be directed to the nearest pay point where they will be charged the appropriate admission fee.

Refunds will not be made to anyone paying at the gate on arrival who claims to have forgotten their wristband.

Any person found making unlawful resale copies (or attempting to sell the wristbands) or tickets will be removed from the show without refund or other compensation. Entries will be cancelled and a possible ban on future years issued.

All wristbands must be worn on the wrist and always fastened during the event. Wristbands not worn as directed will be retained at the entrance gates. Tampering will invalidate the wristbands. Stretching, tearing, taping or cutting the wristbands is not permitted. If wristband tampering is evident, the wristband will be voided, and the wearer will be refused entry.

Please adhere to the above arrival/departure times. Arrivals after the stated times may be refused entry.

DEPARTURE ARRANGEMENTS

No animal may be removed from the Show before the time stated for departure except in the case of illness requiring immediate veterinary treatment. Checks will be made at gates on any livestock trailers leaving the site. To obtain permission to remove an animal in such circumstances, contact should be made with a senior member of RUAS staff or the chief steward. The animal will be examined by the veterinary surgeon appointed and on his certifying that the animal is ill, and that the necessary veterinary treatment cannot be delayed without serious risk of damage to the animal and recommending its removal, the owner will be furnished with the necessary paperwork to leave the Showgrounds.

Priority will be given to exhibitors who have trailers in the trailer park over exhibitors arriving on Saturday evening with trailers to collect livestock. The stock removal pass must be displayed to enter via Gate D to collect livestock.

No animals are to be walked through the Showgrounds at any time.

NB: Please do not load up your animals prior to the official departure time stated as due to heavy traffic it may take some time to exit the site.

IMPORTANT INFORMATION TO EASE THE REMOVAL OF LIVESTOCK ON SATURDAY AFTER SHOW CLOSES

LIVESTOCK REMOVAL ON SATURDAY NIGHT AFTER SHOW CLOSE.

As the majority of you are all very aware the couple of hours after the show close can be very busy with livestock exhibitors and trade stands trying to get on site to remove animals or breakdown stands. We appreciate it can be a testing time and we are continually trying to improve this. Please be patient and follow the directions of the uniformed steward.

IF YOU HAVE A TRAILER IN THE TRAILER PARK AND YOU ARE PARKED IN THE YELLOW CAR PARK

Those with vehicles in the yellow car park will be permitted to leave the car park at an agreed time in an around 5pm (security will be made aware of the time) and, between the movement of the shuttle buses, will be directed to the trailer park to collect trailers and form a queue to load cattle, sheep, pigs or goats. Please follow the directions given by security to make sure you are in the correct queue as sheep, pigs and goats will have a different route to the cattle. After collecting your livestock you will be directed out Gate D and you will follow directions to the exit routes.

IF YOU HAVE A TRAILER IN THE TRAILER PARK AND YOU ARE PARKED IN THE ORANGE CAR PARK

Those with vehicles in the orange car park will be permitted to leave the car park and make their way to the trailer park, only as directed by security and when congestion can be limited. This will not be until after 6pm – no queues before this time. You will enter the Showgrounds via Gate D and follow the one-way system to collect your trailer from the trailer park and join the queue to load livestock. Please follow the directions given by security to make sure you are in the correct queue as sheep, pigs and goats will have a different route to the cattle. After collecting your livestock, you will be directed out Gate D and you will follow directions to the exit routes.

IF YOU ARE COMING IN ON SATURDAY EVENING TO COLLECT LIVESTOCK WITH YOUR CAR AND TRAILER

Livestock exhibitors arriving to collect animals should not arrive before 6pm. All livestock exhibitors should enter the site via Gate 6, Bog Road. If you arrive before 6pm on Saturday, you will be directed to the Orange Car Park to wait until vehicle access can be allowed onto the site. There will be **no queuing** as in previous years as this causes major congestion. Access into the Show site will be via Gate D.

VERY IMPORTANT – PLEASE MAKE SURE THAT WHOEVER IS DELIVERING OR COLLECTING LIVESTOCK HAS THE STOCK TRAVELLING PASS DISPLAYED ON THEIR VEHICLE. THIS WILL HELP AVOID UNNECESSARY DELAYS AT THE GATE AS YOU WILL BE PULLED OVER BY SECURITY TO CONFIRM YOUR DETAILS. PASSES ARE CONTAINED IN YOUR TICKET PACK.

CATTLE GENERAL INFORMATION

SHOW HERD NUMBER- CATTLE S09001

RESPONSIBILITIES OF EXHIBITORS AND THEIR STOCK ATTENDANTS IN CONTROLLING THEIR ANIMALS

The majority of cattle brought to agricultural shows are well trained and docile. From time to time however some animals do become agitated and the presence of large crowds of spectators particularly on the roads leading to and at the entrances of the Cattle Rings can contribute to such agitation and thus be the cause of a very definite safety hazard.

To minimise the risk of accident and injury in these areas special provisions will be made in the form of a pedestrian free walkway from the cattle lines and a holding area opposite the entrance to the cattle lawns. This is not a cattle preparation area and tack boxes, and other obstructions are prohibited. The public will be excluded from these areas and uniformed stewards will only permit access to judges, stewards and exhibitors wearing authorised badges or wristbands.

The dairy cattle section of the Logan Hall will be closed to the general public on Friday morning during judging. Wristbands have been allocated to dairy cattle exhibitors and only stewards or exhibitors with these wristbands will be allowed entry to the dairy lines. Please note that membership cards and other tickets will not be valid for this purpose.

The co-operation of exhibitors is sought in the implementation of these arrangements and in ensuring that at no time are animals led or exercised outside the defined areas of control. Exhibitors will have noted earlier in this manual the Society's policy on safety that all exhibitors have a duty "to act responsibly" in order to minimise the risk of accident.

It is the responsibility of all exhibitors to ensure that their animals are properly halter trained and cattle should always be led by competent handlers. In the past concern has been expressed about the ability and competence of children to undertake this task. Failure to properly prepare an animal for showing at Balmoral could lead to such exhibitors being barred from entering future shows staged by the Society. Exhibitors are reminded that stewards have full authority to take appropriate action should it be felt that any animal is not properly trained or that any handler is not competent to be in control of his or her animal.

It is compulsory that ALL beef animals entered wear snaffles and all bulls wear permanent rings, for which exhibitors will be held responsible. No exceptions.

NO SNAFFLE OR PERMANENT RING = NO SHOWING

Information boards will be produced by Breed Plan for those breeds within that scheme and by Signet for those who are members of their scheme.

GROOMING

Grooming of animals will not be allowed in the ring.

ASSISTANTS

Exhibitors must provide competent persons to take charge of their stock during the entire time they are on the showgrounds. There should be a maximum of one handler in the ring per animal with the exception of Bulls where they can be two handlers. If more than one handler is required, this will be at the stewards discretion.

NECK NUMBERS

Neck numbers will be included in your pack.

CCTV

CCTV will be in operation in the Livestock halls, and throughout the show.

STALLING

The stalling provided by the RUAS is 2.45m high from the floor to the top of the stalling bar by 1.39m wide, depth 3m. Exhibitors are permitted to erect a framework on the sides of the stalls up to the height of the side trombone dividers 1.2m maximum height. A tension wire will be erected along the top of the stalling making the height from the ground to the top of the wire 3m. The wire is there as a guide to the height you must not exceed. Lightweight PVC banners only may be attached to this wire.

The moving of stall names by exhibitors to a different location is strictly prohibited. Any problems with stalling should be discussed with Karen Hughes in the Show Office.

Exhibitors are not permitted to transfer stalls that they had originally booked, but no longer require, to another exhibitor.

Exhibitors must ensure that cattle are placed in the stalls allocated to them. Using other exhibitors stalls for preparation of your animals is strictly prohibited.

PREPARATION OF STALLS

The Showgrounds will only be open for stall preparation prior to animals arriving at the following times: -

Saturday 11 May – 8.00am to 6.00pm

Sunday 12 May – 8.00am to 5.00pm

Arrival outside of these times will result in refusal of admission to the showgrounds.

PARADE OF CATTLE

SATURDAY, MAIN ARENA

The parade will assemble in the Cattle Rings at 3.30pm with parade in Main Arena at 3.45pm.

- Animals placed first and second are required to parade - other prizewinning cattle are invited to take part.
- Animals will not be allowed to leave their stalls until instructed by breed chief stewards in liaison with the section chief steward.
- A designated cattle walkway will be put in place prior to the start of the parade.
- The Parade will leave the Cattle Rings for the Main Arena at approximately 3.30pm.
- The Beef and Dairy Inter Breed Champions will lead the parade, followed by each breed in Prize Schedule order, with the Champion and Reserve Champion leading their respective breed.
- Pairs selections should parade in catalogue order within their own breed and only pair-off on entry to the arena as directed by stewards.
- From 30 minutes prior to the parade until cattle have been returned to their stalls, access to the stalls, roadways and holding areas is restricted to stewards, exhibitors, and authorised members of staff. Visitors to the Show are not permitted in these areas during these times.

GENERAL INFORMATION – ALL LIVESTOCK SECTIONS

SHOW HERD NUMBER – SHEEP 799998

SHOW HERD NUMBER – GOATS S09001G

SHOW HERD NUMBER – PIGS S09001P

CORRECT DRESS/ASSISTANTS – CATTLE, SHEEP GOATS AND PIGS

Exhibitors are particularly requested to provide plain white coats or breed regulation dress for all persons attending their animals in the judging rings or in parades. Reference to a sponsor or the herd shown will only be permitted on the breast pocket of white coats. White coats are obligatory for sheep and goat exhibitors.

Young Exhibitors. All handlers under 14 on the day of the Show and exhibiting in a class other than a class of young handlers must provide a certificate of competence signed by his/her parent or qualified person. A copy of this certificate will be included in your exhibitors pack.

FEEDING BEDDING LIVESTOCK

The Society does not take charge of or feed any livestock. Hay will not be supplied by the Society. Exhibitors should arrange their own supply of fodder.

Equestrian & Farm Feeds, Lisburn – available on site during Show

Tel: 028 92677 640 www.efflisburn.com

Some feed supplies will be available to buy on site. Orders can be placed from their unit located within the stable area or ordered in advance and delivered to you at the Show for your animals staying onsite or for after the Show.

Sheep, Pigs and Goat pens are all pre bedded. Straw is available each morning for re bedding. On Monday 13 May and Tuesday 14 May cattle exhibitors should use their straw tickets in their pack which allows one bale per stall between the hours of 12 noon – 8pm. Additional limited supplies of straw will be available at the back of the Logan Hall each show day morning.

All areas adjacent to your stables or pens should be kept clear of soiled straw. This should be taken to the designated areas provided before 8am in the morning.

CUPS & TROPHIES

All cups and trophies in the possession of the Society are available to be claimed by winners but cannot be collected until after the council meeting succeeding the Show, subject to satisfactory security. All such cups and trophies must be returned to the RUAS Office, Balmoral Park at least 2 weeks before the next Show. Returned cups and trophies should be cleaned and in good condition.

A number of cups and trophies are presented by breed clubs and other donors. These can be claimed from the appropriate organisation.

STAYING ON SITE

There are a limited number of caravan sites available during the Show for livestock exhibitors. Pitches can be booked with your car parking online or via the order form. Electrical hook up is included in the price of the caravan site.

Only exhibitors /stock attendants with wristbands are permitted to stay on site and/or in the caravan park. Separate rules and regulations are available for the caravan park and must be adhered to. (See also code of conduct).

TOILETS & SHOWERS

From Monday before the show toilets and showers will be open adjacent to the cattle accommodation, sheep shearing accommodation and in the equine stable area. Disabled toilets are located adjacent to all toilet blocks.

BABY CHANGING FACILITIES

Located adjacent to Public Entrance 1. See show map for locations.

CATERING ON SITE

Pre-Show Catering

A food unit will be open onsite from Saturday 11 May.

Spar Shop, Stockman's Restaurant and a number of fast-food units open from Monday 13 May.

Catering Unit at the side of the Logan Hall is opened from 12noon on Tuesday 14 May.

Show days

There are various fast-food options available throughout the Show.

FIRST AID FACILITIES

- Eikon Exhibition Centre - First Aid Room
- Beside Arena 2 (Ambulance)
- Park Centre East (located beside the members enclosure)
- Beside Arena (Ambulance)
- A team of paramedics and a doctor are also on duty.

ATM'S

ATMs are located in the Ulster Bank marquee at the Arena and in the Eikon Shopping Village.

SPEED LIMIT

Extreme care must be taken when driving vehicles in and around the Show site. A speed limit of 5mph will be always in operation.

GAS / ELECTRIC

In accordance with the health and safety executive guidance Note PM32 it is a requirement that all portable apparatus is checked for electrical safety (PAT tested) and provided with an electrical safety certificate. Trailing electrical cables are also identified as being a major safety hazard and their use across aisles is prohibited.

Please do not use kettles, microwaves or any other similar electrical equipment in the livestock stalling areas. Apart from being a fire and safety hazard, disruption to power supplies are inevitable due to overloading of temporary circuits by such items.

The use of gas stoves for food preparation is prohibited in the livestock areas, as this constitutes a serious fire risk. The use of generators is also strictly prohibited.

COMPLAINTS PROCEDURE

Should for any reason you have a complaint during the Show please ensure that you contact Rhonda Geary, Operations Director in the Show Office. Complaints forms are available from the Show Office.

SECURITY PRECAUTIONS

Unattended tack boxes should be always locked.

Communication arrangement – In the event of an emergency an announcement informing the public and exhibitors of the emergency situation and the actions to be taken will then be broadcast over the public address system.

In the event of the public address system not being available for use information will be conveyed using loud hailers.

On receiving instructions to evacuate do not attempt to take your animals with you. Ensure they are securely stalled and leave as requested.

**Taking positive action
on Johne's Disease.**

ROLES & RESPONSIBILITIES OF EXHIBITORS

Whilst the Society has a major responsibility it must be stressed that exhibitors have an equal responsibility, and the Council hopes that all exhibitors will treat this responsibility seriously and so minimise the risk of accident and injury. In essence this comes down to common sense, but a number of specific regulations are included in the prize schedule and this manual and additionally other specific arrangements are advised separately to exhibitors as part of their general instructions.

- Being alert to obstructions or hazards which may lead to slip, trip and fall or other accidents – particularly electric cables.
- Competent persons to lead livestock.
- No children in unauthorised areas or close to livestock where an accident can occur.
- No Vehicles or livestock movements in unauthorised areas.

It is also recognised that all trade or stock exhibitors at agricultural events organised by the Society have a responsibility for their personal safety and a duty of care to their fellow exhibitors and to any other person (including the public) who has reason to be on the premises.

This responsibility includes: -

The duty to comply with safety instructions and directions as included in the rules and regulations and instructions to exhibitors for the various events.

- The duty to refrain from the wilful misuse or interference with anything provided in the interests of health, safety and welfare and any action that might endanger themselves or others.
- The duty to use properly the means and facilities provided for health, safety and welfare.
- The duty to ensure that where appropriate, the necessary safety instructions are passed on to all other persons who may be involved with the exhibit at any time during the event.

INSURANCE

Exhibitors are required to provide their own insurance against fire, theft and other appropriate risk not only with regards to their own property but also against any third-party claims.

Every exhibitor must have Public Liability Insurance (we recommend a minimum of 5 million GBP cover however independent advice should be sought from your Insurance Broker) and should bring a copy of their certificate of insurance with them.

Acceptance of the previous two provisions shall be a condition of entry.

Each exhibitor shall be solely responsible for any consequential or other loss, injury or damage done to, occasioned by, or arising from any animals or item exhibited by him whether or not due to the negligence of the Society or any of its servants, agents, sub-contractors or other entrants, exhibitors or invitees and for its description as given in the catalogue.

In no case will the Society be responsible for the safe delivery or dispatch of exhibits.

Exhibitors shall indemnify the Society against all legal proceedings in regard thereto.

**We offer shuttle hire
for robotic milking.**

CODE OF CONDUCT FOR EXHIBITORS STAYING ON SITE

- Only those who are attending to animals and have valid wristbands will be permitted to stay on site after Show hours. This will be policed and those without wristbands will be removed from the site.
- Exhibitors are not permitted to drink alcohol in the stable area.
- You must always act responsibly and refrain from any act which would endanger you or others or animals.
- You are not permitted to handle stock other than your own unless you have the permission of the owner.
- You must stay within your own area and not interfere with any other livestock or trade stand.
- Security has the right to remove anyone from the Showgrounds if they are behaving in an inappropriate manner.
- Vehicles are not permitted to move around the Showgrounds after 8pm.
- You must respect the property of others.
- If you are found to have caused any damage to the property of the RUAS or any other exhibitors at the Show you will be liable for all costs.
- Anti-social behaviour will not be tolerated and will be referred to the PSNI.
- Any exhibitor attempting to show stock whilst intoxicated will be prohibited from the judging ring.
- Fractious animals will also be prohibited from the judging ring and/or parades.
- Exhibitors who wilfully ignore instructions may find that they will be barred from exhibiting at future shows organised by the Society.
- Anyone found to be in breach of these rules will be banned from the Showgrounds for the remainder of the Show and for future years.

Take positive action on **Johne's**

A Johne's J0 Negative cow will produce about **800 litres more milk** than a Johne's J5 Positive cow over an average 305-day lactation.

We are able to provide a Johne's testing scheme to suit all dairy farmers. Work with your vet to make sure you are on the right scheme and you are getting the most out of the results. If you milk record we can use those samples for Johne's testing, saving time and money, and if not we can provide easy milk sampling kits.
